

## Maximize Outdoor Living with Humphrey's

**Humphrey's 2011 Outdoor Living Collection** offers an **all-in-one solution** to your decking, railing and exterior furniture needs for your outdoor living space.

The **comprehensive selection** of composite and wood deck boards and rail designs **plus decorative post caps** and deck furniture is a must-see.

**Available now in-store at Humphrey's Building Supply Center, 590 Main Road in Tiverton.** Open weekdays, 7 am. to 5 p.m. and Saturdays, 8 a.m. to Noon.

**Humphrey's 2011 Outdoor Living Collection** features the established brands of Azek, GAF Deck Systems, Evergrain, TimberTech, DuraLife, Radiance Rail and Tam-Rail. For natural wood enthusiasts, consider deck boards milled from high quality grades of natural Cedar, Mahogany, Southern Yellow Pine and Fir.

Each offers products that will immediately elevate the style, increase the functionality and improve the longevity of your home's existing or upcoming outdoor living space.

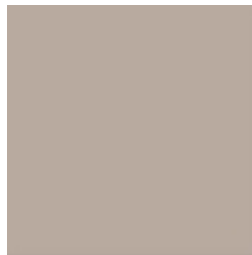

You can easily increase your deck's appeal by finishing its perimeter with railing in wood or composite designs.

Select TimberTech's Radiance Rail in either classic black or white or differentiate with varying shades of brown like Mountain Cedar (pictured at left) and Traditional Walnut or neutral tones including RiverRock and SandRidge (pictured below).
